The Board of Revenue, REVENUE SETTLEMENT.

Ll. E. Buckley, Esq., C.S.I., I.C.S.,
Commissioner of Land Revenue & Settlement.

Read the following paper :-

From A.F.G. Moscardi Esq., I.C.S., Collector of Bellary,
No. Ref. C. No. 2653/20-A 7,
Dated - 26th February 1921.

REFERENCE --

Submitted to Government in continuation of
Board's reference No. C 103/21-1, dated 1st Feb. 1921.

2. The Board supports the Collector's proposals
and submits them for the sanction of Government.

3. The Shrotriyam village of Ittigi, Hospet taluk,
referred to in the Collector's letter, is presumably one
of those villages in which there exist resumed and re-
relinquished inam lands -- called Government lands --
enfranchised village service inams.

4. The Collector's action in paragraph 4 of his
letter is approved.

Copy of letter from the Collector of Bellary,
No. Ref. C. No. 2653/20-A 7, dated 26th February 1921.

In continuation of para. 2 of this office Ref.C.No. 2653/20-A 7, dated 21st January 1921 submitting proposals for the postponement of kists till next fasli in the affected taluks in this district. I have the honour to submit the following report in respect of three villages of Hospet taluk and 4 villages of Hadagalli taluk which require relief in the shape of suspension of collection of kists till the next fasli.

2. HOSPET TALUK :- The three villages that have been most affected are (1) Ittigi (2) Muddapuram and (3) Sanapuram. These villages lie on the North-eastern frontier of this taluk bordering the Siruguppa and Bellary taluks. They consist mostly of black cotton soil. The crops generally grown on the soil are cotton, korra and cholam. Owing to the failure of both the early and late rains, the crops have failed and the average yield in the 3 villages is said to be less than 4 As. The Tahsildar of Hospet after personal inspection of these villages reports that the outturn of hingari crops is practically zero in Ittigi and Muddapur and about 2 As. in Sanapuram. He further reports that most of the ryots have left their villages in search of employment and that much difficulty is experienced in realising the kists. He recommends the postponement of all the four kists in these villages till the next fasli. But as part collections of the first two kists have been made in Sanapuram and practically nothing in the remaining two villages I recommend the postponement of all the four kists in (1) Ittigi and (2) Muddapuram and only the last two kists in the case of Sanapuram village till the next fasli. The Tahsildar's proposals have been received very late and I am calling on him to explain why he failed to make a complete report about these villages sufficiently early to enable this office to pass suspension orders before the kist season commenced. The amount of provisional demand and the amount to be suspended in each village are noted below :-

Name of village	Provisional demand.	Amount to be suspended.	No. of kists.
Ittigi	526 10 0	517 11 0	4
Muddapuram	1209 10 9	1044 7 0	4
Sanapur	838 10 2	419 5 1	2
Total	2574 14 11	1981 7 1	

Of the three villages named above Ittigi is a shrotriem village and the amount to be suspended is the revenue on the Government lands and the quit-rent on minor inam lands charged with full assessment. The Collection of the assessment on Sivoyjama cultivation has also to be suspended and this is included in the amount to be suspended shown against each village.

3. HADAGALLI TALUK :- The villages reported to be most affected by the failure of both early and late rains are (1) Halu Thimmalapuram (2) Timmalapuram (3) Hulikatti and (4) Ballahunsi. The Tahsildar after personal inspection of these villages, reports that the outturn of mungari crops was only 4 As. and the cotton and korra sown after September rains have totally failed owing to the withholding of the North-East monsoon. He further adds that the first two kists have been collected with much difficulty and as the ryots are unable to pay the remaining kists. he recommends that the collection of the last two kists in these villages may be postponed till the next fasli. The Divisional Officer supports the Tahsildar's recommendation and I agree with them. The provisional demand and the amount of suspension in each village are noted below :-

Name of village.	Provisional demand.	Amount the collection of which is to be suspended.	No. of kists.
Halu Timmalapuram	1122 7 4	555 15 8	2
Timmalapura	1556 15 5	774 4 2	2
Hulikutti	696 0 6	343 0 6	2
Ballahunsi	1598 14 9	791 12 9	2
Total	4974 6 0	2465 1 1

4. I have issued orders for the suspension of the collection of the first four kists in the villages of Ittigi and Muddapur and of the last two kists in Sanapur and in the four villages of Hadagalli taluk referred to above, and I request that my action may be approved.
